

*Rolling Doors*

**Buy American Act, ARRA 2009  
Cycle-Master™ Tough Rubber Door Compliance**

The Cookson Company, Inc. is proud to be the leading innovative rolling door company in the industry.

Through a relationship with one of our product development partners, Cookson offers Cycle-Master Tough Rubber Doors which utilize Canadian technology and manufacturing processes. Wholly produced in Canada, Cycle-Master Tough Rubber Doors qualify under the reciprocal commitments of the WTO Agreement on Government Procurement (GPA). As such, these products are compliant for use in departmental programs (attached) that are funded by the American Recovery and Reinvestment Act.

Thank you for considering Buy American compliant products from The Cookson Company, Inc.
